

FFT Aspire In-School Training Options

FFT are able to deliver focused training courses within your school, local cluster, MAT or Chain. The sessions are designed to help middle leaders, teachers and governors understand how FFT Aspire can help raise pupils' achievement. Supporting school self-evaluation and target setting, the sessions also focus on the importance of developing teachers' data literacy throughout your school.

An Introduction to FFT Aspire

This two hour overview session is ideal for teachers or leadership teams who are either new to FFT Aspire or who have little prior experience of the system. Participants will gain an understanding of how to navigate around the full suite of FFT Aspire reports, look at key attainment and achievement measures, how to interpret school, subject and pupil level data and learn how to set targets or expectations against a range of national benchmarks.

Available for KS1, KS2 or KS4. £690 + VAT.

Enhancing Leadership with FFT Aspire

A practical, half-day, hands-on course which is the perfect introduction to FFT Aspire for leadership teams and senior management. Delegates will learn how to access and navigate their way around the full suite of FFT Aspire reports (self-evaluation, target setting and Student Explorer). The course will look at key attainment and achievement measures, how to interpret school, subject or pupil level data and practice setting targets or expectations against a range of national benchmarks.

Available for KS1, KS2 or KS4. £999 + VAT.

"Delegates appreciated time to look at their own data with support from the trainer and that they were able to ask questions"

"Our HTs now realise the potential and importance of FFT Aspire not just for historic data but also for target setting"

Understanding the FFT School Dashboard for Governors

This two-hour overview of the FFT School Dashboard for governors and school leaders provides a range of information in a clear and meaningful way to help governors monitor the performance of their school, enabling them to support and challenge their school leadership. Delegates will work from their own school's dashboard, enabling them to view a school's performance instantly, flagging up questions that governors should be asking.

Available for KS1, KS2 or KS4. £690 + VAT.
