The screenshot displays the 'aspire pupil tracking' software interface. At the top, a navigation bar includes links for 'target setting', 'self-evaluation', 'student explorer', 'collaborate', and 'pupil tracking'. The 'pupil tracking' menu is highlighted with a hand cursor. Below the navigation bar, the interface is divided into two main sections: 'Assessment tracker' and 'Curriculum Tracker'. The 'Assessment tracker' section lists various options such as 'Summary', 'Year groups', 'Classes', 'Pupil groups', 'My school groups' (marked as 'NEW'), 'Pupils', 'Pupils scatterplot', and 'Pathway' (marked as 'NEW'). Below these are two main actions: 'Enter pupil assessments' and 'Create & edit assessments'. The 'Curriculum Tracker' section lists 'Curriculum assessments' and two main actions: 'Enter curriculum assessments' and 'Create curriculum'. A large banner on the right side of the interface reads 'Detailed pupil tracking through every assessment'. At the bottom, there are three main content areas. The left area, titled 'Just added', features a 'NEW Pathway report' with a description and a 'Pathway report >' button, and a 'NEW Define your own groups' with a description and a 'Start using school groups >' button. The middle area, also titled 'Just added', features a 'NEW Copy Curriculum TAs' with a description and a 'Go to curriculums >' button. The right area, titled 'Contact us', provides information on how to get help, including an 'Email us' button and a phone number: '01446 776262 (option 2)'. Several blue buttons are visible, including 'View reports >', 'Create & edit assessments >', 'View & edit curriculums >', 'Create curriculum >', 'Create assessment >', and 'Create curriculum >'. Hand cursors are shown pointing to the 'Create & edit assessments >' button and the 'pupil tracking' menu item.

Assessment name & description

Assessments are based on a Key Stage and a month. Put all participating year groups into that assessment, rather than separate assessments for each year group.

 "Autumn term teacher assessments for years 3/4/5/6 (all subjects)"

 "Year 3 assessment", "Year 4 assessment", "Year 5 assessment"

Doing this ensures year groups can be easily analysed alongside each other.
